CLUB COACH RECORD FORM

This form has been introduced to improve on the way we keep record coach details, to simplify the CVCC Membership Form and to raise the profile of coaches that support CVCC activities at the Cuckmere.

There are many of us at CVCC that are qualified coaches and have a wealth of experience and knowledge about our sport. Newcomers to paddling depend on us giving our time to provide a safe and enjoyable environment in which to participate. Without volunteer coaches of the past would you have been able to get to where you are now?

As a Club Coach you will continue to be reimbursed for running paddling sessions at the Cuckmere - please refer to the Coach Reimbursement Policy for current details.

We are hoping that those of you receiving this form will support the club in our activities and contribute to providing at least 2 club sessions on the Meanders in order that we can continue to open up our sport newcomers.

A Club Coach supporting the club will always be considered for support should they wish to work towards further relevant coaching awards that will benefit CVCC.
